

# NATURE TRIP

Brighton-based **alternative rock** band founded in 2019 by three friends that moved across the channel to **Brighton, UK** to pursue a career in music. Powered by the new environment of the Brighton music scene, they slowly climbed up to **sold-out shows** in their new hometown. Taking advantage of their **Prague** roots, Nature Trip also regularly tour the Czech Republic.

The **newest release 'Feel Good'** produced and recorded by **James Hall** (Tigercub) and mixed by **Sonny Dipperi** (Narrow Head, DIIV, Devil Wears Prada) was featured in **adrenaline** and **All New Rock** both **official Spotify playlists**.

Nature Trip are:

**Ales Stoiber** - guitar, vocal  
**Vit Koristka** - guitar  
**James Stevenson** - drums  
**Luke Pilmer** - bass

The band's 2022 debut album **New Connections** was featured on **Kerrang! Radio** in the UK and **Radio 1** in Czech Republic, followed by **sold-out headline shows** in both territories.
